

## Training in Horizon 2020 Marie Skłodowska-Curie Actions

### Individual Fellowships (IF)

29<sup>th</sup> of June & 27<sup>th</sup> of July 2018, Cambridge (UK)

#### WHAT THE TRAINING OFFERS

The training session will focus on Marie Curie Individual Fellowships (IF):

- ✓ the distinction between the European (EF) and Global (GF) schemes
- ✓ the call eligibility criteria (host organisations and European and/or Third Countries Experienced Researchers- ERs)
- ✓ the evaluation criteria and procedure
- ✓ the Marie Curie IF evaluation panels (with career restart, reintegration and/or social and enterprise panels specific eligibility rules)
- ✓ the typical IF funded activities
- ✓ the expected impact of a successful individual project (including *Open Science*)
- ✓ the implementation stages of the project
- ✓ the funding allowances/how to construct an IF budget
- ✓ practical and group working exercises on how to submit a successful IF proposal, based on real case scenarios and submitted proposals.

As introduction, a general overview of the Marie Curie Programme will be provided, together with an introduction of *what's next* for Marie Curie grants under the future FP9. Moreover, data on countries participation as well as on mobility patterns and success rates will also be presented.

#### SOCIAL EVENT

A one-day event will be organised in Cambridge on Saturday the 30<sup>th</sup> of June and 28<sup>th</sup> of July: *TOUR of Cambridge Colleges*. For those interested to participate, please contact [katia.insogna@innotecuk.com](mailto:katia.insogna@innotecuk.com)
