

# OUR EXPERT TRAINERS PROFILES

**Katia Insogna** is the Head of Training and Consultancy Services at InnoTec with more than 15 years' experience in European R&I funding opportunities, coaching and grant/project management. Formerly FP7 and H2020 National Contact Point (NCP) for Marie Skłodowska-Curie Actions (MSCA) and European Research Council (ERC) grants, among others, and coordinator of the Network of Marie Curie NCPs (PeopleNetwork+).

**Juliane Sauer** worked from 2008 to 2016 as MSCA NCP for Switzerland at Euresearch. She also coordinated the 1.7 Million € NCP project 'Net4Mobility'. Since 2017 she is Director and founding member of OxygenEUm, a consultancy company for researchers and research institutions with a focus on MSCA. She has longstanding expertise in training, coaching and communicating with and for researchers of all areas and on all career levels.
